NOTICE (RoHS)

February 2025

NOTICE

This is to advise that the Directive 2015/863/EU – RoHS3 does not apply to routers, end mills, reamers and drills of Hartmetallwerkzeugfabrik Andreas Maier GmbH.

EXPLANATION:

The above mentioned directive applies only to hazardous materials which remain in finished electric and electronic equipment.* („electrical and electronic equipment“ or „EEE“ means equipment which is dependent on electric currents or electromagnetic fields in order to work properly...”)

*) Tools used for the machining of circuit boards which do not remain in the end product do not come under this guideline „RoHS“.

Hartmetallwerkzeugfabrik Andreas Maier GmbH
Stegwiesen 2
88477 Schwendi-Hörenhausen
